Explanation of Local Expenditures:

Explanation of Local Revenues: Currently, county auditors may charge a fee, up to \$5, for each real property endorsement that the auditor makes. This bill would allow the legislative body of a county to adopt an ordinance authorizing the auditor to charge up to \$5 for each legal description of each parcel contained in a real property endorsement. This provision could allow a county auditor to generate more revenue to cover the costs associated with endorsing real property containing multiple parcels. The fiscal impact of this bill is dependent on local action.
